## 7.5.6 Table of Sanctions

In the application of Regulations 7.5.1, 7.5.2, 7.5.3, 7.5.4, 7.5.5, 7.5.7 and 7.5.8, the following Table shows how the sanctions to be served are determined.

## **OFFENSES AND SANCTIONS**

An offense consists of receiving one or more penalty codes from the same infraction group during a single match.

A sanction refers to receiving one or more game suspensions following a committed infraction. The number of suspended games corresponds to the codes received and the level of offense the member has reached within that infraction category.

Cumulative offenses: For groups 1, 2, 3, 4, and 5, offenses are accumulated within each infraction group (Fouls) (Ref. Penalty Codification). However, only infractions from group 6 will be accumulated based on the individual penalty codes. If multiple penalty codes are assigned during the same match, they will be considered as a single offense. A player cannot be assigned both a first (1st) and second (2nd) offense for the same match.

However, only penalty codes from group 6 will be accumulated separately to calculate offenses.
